Sample

received: 5

analyzed: 5

duplicates: 0

empty: 0

spam: 0

Audience topic: Share recipe

Audience wording: "Can you share the recipe?"

Shared topic: Share recipe. Found in 2 retained comments across 1 posts.

Create a response using your own experience and source material. Answer the quoted question where applicable; verify details before giving advice.

Repeated words / phrases ranked across distinct comments; review the original wording for context.

Evidence IDs: db768303cf6d551372b23437c014a006, c3b0c9aa624c761111c206fa0210d285

Questions (4)

Inferred keyword theme; not sentiment or intent verification

Content idea: Answer the recurring questions using the cited comments. Build the post around this actual audience comment: "Can you share the recipe?"

Source IDs: db768303cf6d551372b23437c014a006, 4c40498288453d01c17eb1d6a829aaab, 96614ba6c53fbcab19f5b0a4cd0583ed, c3b0c9aa624c761111c206fa0210d285

Product requests (3)

Inferred keyword theme; not sentiment or intent verification

Content idea: Make a guide responding to these specific requests. Build the post around this actual audience comment: "Can you share the recipe?"

Source IDs: db768303cf6d551372b23437c014a006, 96614ba6c53fbcab19f5b0a4cd0583ed, c3b0c9aa624c761111c206fa0210d285

Complaints (0)

Inferred keyword theme; not sentiment or intent verification

Content idea: No matching source comments; no grounded content idea for this theme.

Source IDs: No matches

Possible buying interest (1)

Inferred keyword theme; not sentiment or intent verification

Content idea: Explain the offer and answer these purchase questions. Build the post around this actual audience comment: "Where can I buy the coffee?"

Source IDs: 4c40498288453d01c17eb1d6a829aaab

Repeated text

can you share the recipe?

Count: 2

IDs: db768303cf6d551372b23437c014a006, c3b0c9aa624c761111c206fa0210d285

Method and limits

Rule-based, English keyword analysis. Themes overlap and can misread context. Counts describe this sample only. Buying interest is inferred, not confirmed. Source comments are reproduced verbatim.
